

MIDDLE EAST & AFRICA

Since its founding in 1995, **Golden Dragon Group** has emerged as a worldwide business partner in the chemical industry. We have always been dedicated to our suppliers and customers who know us as a pro-active company with short lines of communication and quick decisions.

Golden Dragon Group is a renowned chemicals distributor with extensive global reach and deep expertise in emerging markets such as **Africa, Latin America, the CIS region, and the Middle East.**

Our products can be divided into four product groups: Solvents, **Acrylates, Monomers and Plasticizers.** We mainly operate in the segments **Paint & Coatings, Ink, Glues & Sealants, Resins** and various soft PVC-based substances.

Whatever your demand or unique supply problem is, our team always finds the best solutions. Whether it is in isotanks, trucks, IBCs, drums or any other packaging, we arrange this in line with your requirements.

Today's market is very hectic, undergoing rapid changes as it becomes more and more transparent. Golden Dragon Group prides itself on facing and overcoming these challenges and has managed to develop into a healthy and financially stable company. This is because our priority has always been to build up long-term friendships.

In the end: **It's all about adding Values!**
